Dr. Thomas Schlegel  
Institut für Visualisierung und Interaktive  
Systeme (VIS)  
Universitätsstrasse 38  
70569 Stuttgart  
Germany  
Phone: +49 711 7816 209  
E-Mail: [editor@journal.vimation.eu](mailto:editor@journal.vimation.eu)  
WWW: <http://www.vimation.eu>

- › abstract: max. 200 words
- › keywords: max. 12 words
- › content: max. 6000 words
- › pictures in high resolution (300 dpi) and graphics in vectors or high resolution (1200 dpi)
- › name, title, foto, address and short CV of author(s)

## Type of Publication

The content of the VIMation Journal is currently published online, while the first issue has been printed. The VIMation Journal can be viewed and downloaded on <http://www.vimation.eu>

## Content

You are invited to submit contributions to the VIMation Journal. Typical contents are:

- › technical papers / articles
- › reports of activities within the VIMation network
- › announcements and dates of conferences
- › letters to the editor

Articles should contain information of the field of human machine interaction and models in production.

All articles reflect the opinion of the respective authors. The content of the articles is not verified by the publishers of the VIMation Journal.

Articles have to be in British English and contain following content:

## Copyright

With the submission of the article, you agree in the publication of your article in the VIMation Journal (hard copy and online version). We assume that you are entitled to give this permission. In case that your article contains content of third parties (e.g. pictures, text passages) it is your responsibility to care for the authorisation to publish these.

The logo for VIMation Journal features the word "VIMation" in a light green, sans-serif font with a small green swirl above the "i". Below it, the word "Journal" is written in a large, dark grey, serif font.
